

Our Quality is in our Vineyards

Longwood Ranch Vineyard – 94 acres

Surrounding our new winery, our most southern vineyards boast unique microclimates with gentle, hilly contours and mixed stony loam and sandy soils

Primary location for newer, high-density plantings of Cabernet Sauvignon, clones 4, 169, & 337, Cabernet Franc, and Sauvignon Blanc.

Located close to Del Dotto, William Hill and Jarvis

Oakville Vineyard – 22 acres

Among the most exceptional blocks of Merlot in Napa Valley

Clay soil with infusions of gravelly profiles, these stressful growing conditions force the vines to produce low-yields of concentrated, high-quality fruit

Prestigious vineyard location near Far Niente, Silver Oak, Mondavi and Opus One

Ehlers Lane Vineyard – 109 acres

Renowned location for exceptional Chardonnay

Gravelly loam and limestone rock outcroppings, complex soils with a gentle west to east slope

Acknowledged as one of the finest vineyard sites in Napa Valley, situated close to Duckhorn, Turley, Rombauer and Grace Family

... and our Winemaking Style

~Chardonnay~

Distinguished Chardonnay from our St Helena Vineyard made in an atypical style
Fermented in the barrel, aged on the lees, with malolactic fermentation prevented, our Chardonnays boast weight, balance and complexity

~Cabernet Franc~

Often used as a blending grape with Bordeaux varietals, our Cab Franc needs no additions
Grapes perfectly sited on our Longwood Ranch provide ripe fruit and spice flavors with elegant acidity and tannins

~Merlot~

Exceptional grapes from one of the most prestigious blocks of Merlot in Napa Valley
Proof of terroir, our dense, concentrated fruit has spicy flavors and aromas not often found in Napa Merlot and beautifully complimented by judicious additions of Cabernet Franc and Cabernet Sauvignon

~Cabernet Sauvignon~

Our Longwood Ranch produces perfect fruit from 25+ vines and 8-10 year old planting of the newest clones
Exactly ripe fruit and gentle winemaking designed to reduce harsh tannins, makes for intense flavors in a superbly balanced wine reminiscent of Bordeaux in a warm vintage
